Five Cambridge Center

BP Boston Properties

The Google logo is displayed prominently at the top of the page. It consists of the word "GOOGLE" in a multi-colored, rounded font. Each letter is composed of a different image, such as a person's face or a landscape, which are then colored with a rainbow gradient.

COOL

KEYDOME

A photograph of a modern, multi-story building at night. The building features large glass windows and a dark, angular facade. A prominent feature is a large, illuminated sign on the side of the building that reads "COMING". The letters are brightly lit in various colors, including blue, pink, and white, and are arranged in a staggered, three-dimensional style. The building is set against a dark sky, and the interior lights are visible through the windows, suggesting an active space inside.

Google™

The Google logo is displayed in its signature multi-colored font (red, yellow, blue, green) against a dark background. Each letter of the word "Google" contains a different iconic travel-related image in white. The 'G' features the Colosseum in Rome; the 'o' features the Eiffel Tower in Paris; the second 'o' features the Taj Mahal in India; the 'g' features the Great Wall of China; the 'l' features the Statue of Liberty in New York City; and the 'e' features the Pyramids of Giza in Egypt.

Google

The image shows a large, three-dimensional green logo mounted on a wall made of light-colored horizontal wooden planks. The logo consists of a thick, textured green material, possibly moss or artificial grass, forming the word "dogeza" in a bold, cursive font. The letter "d" is a large circle, "o" is a smaller circle, "g" is a vertical oval, "e" is a horizontal oval, and "z" is a diagonal line. The lighting is warm, coming from a single pendant light visible in the top right corner, which casts a soft glow on the wall and the logo.

The image shows a large, three-dimensional logo for Google. The letters are formed by a dense, textured material, likely grass or moss, giving them a soft, organic appearance. The logo is positioned on a wall made of light-colored wooden planks. The letters are slanted slightly to the right. The 'G' is the most prominent, with its two loops filled with the green material. The 'o's are also filled with the same green stuff, and the 'o' in 'oo' is particularly large and expressive. The 'g' at the end is smaller but follows the same rounded, flowing style. The overall effect is a blend of technology and nature.
